Entrepreneur, Intrapreneur, Brand Builder or Socialpreneur.

You are representative of so many women's dreams and we are proud to showcase your success!

We accepted nominations for various exposure opportunities and a special section in New Jersey Monthly over the last months.

Judgment criteria for all nominees included: Innovation, Community Involvement and Advocacy for Women.

A listing of the finalists will be published in the October 2019 New Jersey Monthly Magazine issue, which will reach over 750,000 households.

Your feature story will be positioned under the context of being a Leading Woman.

You will simply reserve your package and our team of branding experts does the rest.

- ✓ We design the page, write the content, offer an optional photo session and then you are provided with a PDF of your story that you can use in all your print and social media efforts for years to come.
- ✓ Don't forget, the LWE section has an exponential marketing affect because it gets distributed to the entire LWE network and to the networks of those published in the section.
- ✓ Your story will reach over 750,000 households in the state and be available on the home page on NJMonthly.com.
- ✓ This is a permanent, media opportunity that gives you the ability to say "Featured in *New Jersey Monthly*"; do not miss the chance to brand yourself as an expert.
